5. Points are to be awarded for the Round-Robin matches to determine the winners of each pool on the following basis: **Win: 4 points Draw: 2 points Loss: 0 points**
- If, at the end of the round robin, two teams are equal on matches won, then the winner of their face to face match will be declared the winner. If their face to face match was tied, then sets percentage will be compared. If still equal, points percentage. If more than two teams are equal on matches won, then the winner will be determined by set percentage (sets for / sets for + sets against) against the other tied teams, then on points percentage (points for / points for + points against) against the other tied teams. When doing these calculations involving a 3-way tie, the convener should only include the results of the 3 teams tied NOT the results from the games with the 4th, 5th etc teams. Please note when doing calculations in a two way tie ALL team results are to be used.

	Sets For	Sets Against	Set %
Wangaratta HS	3	4	75
Cathedral College	4	4	100
Catholic College	4	3	133

Every child,
every opportunity
