FORMAT:

1. A Round Robin Competition on two pitches with a Boys/Mixed Pool and Girls Pool.
2. Matches are centrally timed, 2 x **7 minute halves** with 2 minute interval at half-time followed by a change of ends. There will be 2 minutes between matches.
3. Match points are awarded 3 points for a win, 2 points for a draw and 1 point for a loss.
4. At the conclusion of the Round Robin Matches, the team finishing with the highest total points in each group will be declared the Division Winner and be eligible to progress on to the Region Final. If two teams are tied on points then the team which won their head-to-head round robin match finishes higher. If their head-to-head match was a draw, then total goal difference from all their round robin matches will determine the winner. If it's still a tie, then the team with the most goals scored, then least goals scored against. If more than two teams are tied on points, goal difference from their head-to-head matches will be calculated to determine the winner.
