### **Please Note:**

All Track Events are TIMED FINALS. The top 3 runners from each timed final, where there is more than one final, will be held in a holding area directly after they compete. Once both timed finals have been conducted the times for all athletes are combined and the fastest three will receive ribbons. The first and second placegetters qualify for the State event in November.

Competitors must run as fast as they can in their race as there is no second chance.
