4. At the conclusion of the Round Robin Matches, the team finishing with the highest total points in each Pool will be declared the Division Winner and is eligible to progress on to the Region Final. If two teams are tied on points then the team which won their head-to-head round robin match finishes higher. If their head-to-head match was a draw, then total percentage from all their round robin matches will determine the winner. If more than two teams are tied on points, percentage from their head-to-head matches will be calculated to determine the winner.
