

### **Staff stations and allocations.**

- Station 1      **Corner of school and Riverend Rd.** Ensure students have completed oval run and head towards you without cutting through the bushes
- Station 2      **At the split between the 2km and the 3km course.** For the 2km race direct the runners to turn left and head towards the lake. For the 3km runners direct them to the corner of the two fences heading towards the large sign.
- Station 3a     **near the corner where the 2 fences meet** - entry to the path that runs down to the freeway. Direct students to follow the path along the freeway following the white line.
- Station 3b     **2km course only where the course first meets the lake.** Ensure runners are heading towards and around the lake.
- Station 4 -     **On top of the golf course hill.** From here you can see and direct the runners into the golf course. Runners head along the farm fence and head to the bottom of the hill. Turn a sharp right and head over the hill. Direct the students over the hill and turn left heading towards the driving range.
- Station 5      **Gravel carpark** –this is the intersecting point where the 2km & 3km event re-join each other. Direct students around the tennis courts and through to the back of the fairy garden
- Station 6      **Fairy garden and tennis court exit.** Direct runners through the fairy garden and through towards the oval area. You will need to stand so the students can see you at the end of the tennis courts and curl through to the fairy garden entrance. Ensure the students follow the white line to the finish!
