Multi Class Athletes:	Multi Class events are conducted in 100m, 200m, 800m, Long Jump and Shot Put.
(Athletes with a Disability)	Multi Class events will be conducted using the multi disability format for both boys and girls: Intellectual Impairment, Ambulant and Wheelchair. Results calculated using the Athletics Australia Multi Disability Standards (MDS) tables. Each event will be conducted using WA/IPC rules, with Athletics Victoria Officials as Referees. Each Multi Class competitor MUST have competed at the Region level. Students must hold a current classification. Students without a classification must contact Athletics Victoria (see contact details on the SSV website) Multi Class Athletes wishing to compete in able body events (including relays) must qualify according to the regular SSV progression pathway. School Sport Victoria reserves the right to invite extra Multi Class athletes who have not placed 1st or 2nd at their Region competition based on their region performances and the MDS points system.
Conditions:	See the School Sport Victoria's 'General Conditions of Competition'. All players, teachers, spectators and officials are bound by the 'SSV Codes of Conduct' and the 'Participant Behaviour Policy'. A girl cannot play in a girls' team and a boys/mixed team in the same sport. The level of competition chosen by a student at District level remains binding through to Division, Region and State levels.
Marshalling – Call Room:	Events being marshalled will be called over the PA system and displayed on the Call Room notice Board 30 minutes prior to the commencement of the event. Athletes will not be required in the Call Room until their event is called. Parents, coaches and teachers will not be permitted to enter the call room. Athletes will be escorted to their event from the Call Room. Competitors should be aware that the scheduled times printed in the program are approximate and subject to change. Appropriate announcements will be made concerning any substantial alterations.
Clash of Events:	Where a clash of a track event and a field event occurs, a competitor must report for both events in the Call Room. Where appropriate, the competitor will be taken to the field event first and, if time permits, take one or more trials. The Referee will assist the competitor to then marshal for his/her track event and return to the field event immediately after the track event and complete his/her three trials. The three trials must be completed within the time allocated to the event. Where a clash occurs between a track event and a high jump event the competitor must return to the high jump as quickly as possible after the track event. The high jump event will continue in their absence. The competitor must continue at the new height when he/she returns. The bar will not be lowered.
Seeding and Lane Allocation:	Seeding and lane allocation will be drawn according to the WA and IPC Rules. Track competitors may be required to wear identifying numbers on their uniform.
Hip Numbers:	Track Competitors in 800m and 1500m events will be issued with hip numbers for photo finish recording.
Starts:	The one false start rule will be used. The first 'break' will be deemed a 'False Start'. Any further 'breaks' (by any competitor) will result in disqualification of the offending competitor. Competitors are encouraged to use a crouch start for 100m, 200m, Hurdles and Relays (first runner only). However, this is not compulsory, and athletes may use a standing start. The use of starting blocks is not compulsory, but they will be provided. Private starting blocks will NOT be permitted.
Hurdles:	Hurdles used for Primary hurdles races (i.e., 9/10 years, 11 years and 12/13 years) must be collapsible in line with Little Athletics Victoria specifications.
Qualifying - 100m:	The first three placegetters from each heat plus the next 4 fastest qualifiers make a final of 10.
