SELECTION GUIDELINES

School Sport Australia Championships consists of both educational and sporting components. Being a member of a School Sport Victoria Team Vic representative team provides the opportunity to be involved in all educational and sporting excursions and aim for national selection.

- Purchase the compulsory uniform (approx. \$300.00 - \$450.00)
- Complete and return all team documentation to the Team Manager by the due date.

- Be respectful of the role of the Team Officials in making decisions regarding each team member's participation in SSA Championship activities or other preparation activities.
- Follow and comply with any health or safety advice that is issued.

Guidelines for selectors

- Appropriate playing time to assess each trialist - selection is based on trial performance.
- Trialists must participate in at least one stage of the selection trial process to be considered eligible for selection.
- Where a student is unable to attend a trial, a request for an exemption is to be approved by SSV for the student to remain eligible. For further information about exemptions, please refer to the State Teams Trial Exception Policy.
- Where a student has progressed to the final state trial, they must be in attendance to be considered eligible for selection.
- Team officials reserve the right to select a player who is injured or unavailable due to an approved reason during the trial process for reasons applicable to the State Teams Trial Exception Policy. Players who are part of this process may be required to provide a statutory declaration and / or medical certificate and may also be required to attend the trial process.
- Where there may be a perceived or actual conflict of interest such as: trial coordinators assessing the selection of a friend or relative, this must be communicated to SSV and a plan to manage the conflict will be developed and implemented.
- Consider team composition so players from the same school or team are not advantaged over individual representatives.
- Where appropriate, concentrate on selecting players with generic skills rather than players for specific positions.
- Team balance is critical to selection of the final squad.

Selectors are looking for:

- Ability to identify and create space using preliminary movements
- Can balance the court including vision, communication
- Attacking uses a variety of movements to receive the ball away from defender/s
- Change of direction (dodge, double dodge, lead and drop), clear, change of speed, hold
- One-on-one defence / deny and intercept
- Footwork to contest a clean line to the contest
- Makes an attempt on the intercept and recovers to 3 feet with strong high hands over the ball
- Dictate and recover to hands
- Strong ball control, safe hands
