SELECTION GUIDELINES

School Sport Australia Championships consists of both educational and sporting components. Being a member of a School Sport Victoria Team Vic representative team provides the opportunity to be involved in all educational and sporting excursions and aim for national selection.

Team Officials run a selection process that is fair and transparent. This process involves the design of guidelines and trial activities, assessment of players and ensuring students, parents and teachers are made aware of this process.

Team members are required to abide by the following responsibilities:

- Must be accompanied by a parent/carer to the 2026 Championships. Parent/carer is responsible for the travel, meals and accommodation for themselves and their child.
- Purchase the compulsory uniform (approx. \$300.00 - \$450.00)
- Complete and return all team documentation to the Team Manager by the due date.

Guidelines for selectors

- Appropriate playing time to assess each trialist - selection is based on trial performance.
- Trialists must participate in at least one stage of the selection trial process to be considered eligible for selection.
- Where a student is unable to attend a trial, a request for an exemption is to be approved by SSV for the student to remain eligible. For further information about exemptions, please refer to the State Teams Trial Exception Policy.
- Where a student has progressed to the final state trial, they must be in attendance to be considered eligible for selection.
- Team officials reserve the right to select a player who is injured or unavailable due to an approved reason during the trial process for reasons applicable to the State Teams Trial Exception Policy. Players who are part of this process may be required to provide a statutory declaration and / or medical certificate and may also be required to attend the trial process.
- Where there may be a perceived or actual conflict of interest such as: trial coordinators assessing the selection of a friend or relative, this must be communicated to SSV and a plan to manage the conflict will be developed and implemented.
- Consider team composition so players from the same school or team are not advantaged over individual representatives.
- Where appropriate, concentrate on selecting players with generic skills rather than players for specific positions.
- Team balance is critical to selection of the final squad.

Selectors are looking for:

- High standards in the basics of marking, handballing, and kicking
- Proficiency handballing and kicking with both sides of the body
