- Be respectful of the role of the Team Officials in making decisions regarding each team member's participation in SSA Championship activities or other preparation activities
- Follow [COVID-19 guidance to protect yourselves and others](#) and comply with any health advice that is issued.

### Guidelines for selectors

- Opportunity to play in at least two preferred positions
- Consideration of team composition so players from the same school or team are not advantaged over individual representatives.
- Where appropriate, concentrate on selecting players with generic skills rather than players for specific positions
- Where there may be a perceived or actual conflict of interest such as: trial coordinators assessing the selection of a friend or relative, this must be communicated to SSV and a plan to manage the conflict will be developed and implemented.
- Appropriate playing time to assess each trialist
- Trial coordinators /Team officials reserve the right to not require a player to participate in any trial stage if they deem it to be unnecessary
